I'd benefit from any suggested language for the letter of support. Thanks.

Steve,

There's no form. Just address the letter to The Public Safety Institute and put it on your own stationary. We appreciate your help. (If you wish, I can send you the letters from the D.A. and police director as examples.)

Yes, Danny provided one.

In that case, Steve will need to provide a letter of support (from the NPI).

Thank you!

Steve,

For the Innovation grant proposal, we still need a biosketch from you. Can you get it to us tomorrow ? (Let me know if you don't have the form.)
